

Amalgamated Transit Union division 757 Annual Picnic

Sunday, July 13th, 2008 ~~ Blue Lake Park Fairview, Oregon

The annual summer picnic for members and families of the ATU 757 is a festive gathering of 4000-5000 thousand people, from communities in Oregon and Washington. This gathering has a history going back decades. For many attending they are second and third generation participants.

A part of the tradition includes a well-attended prize give-away. In the past we have accepted donations from vendors who have an established relationship with our members and from those looking to begin a relationship with our members. This year I am also pleased to announce we will be working with The Red Cross and Big Brothers Big Sisters to help promote awareness of their organizations. Two years ago we held a fund raising raffle for labor community services that ended in several of our elected officials and executive board officers having their heads shaved.

This is a unique opportunity to reach a very diverse group in the community at a very personal level. With prior arrangement, donors will be allowed to set up and man their own small table for promotional purpose. All donations will be announced from stage and will be included in a thank you flyer passed out at check-in that will include a reminder to patronize our donors.

If this is an opportunity that you would like to participate in please contact:
