Re: Contract Final Offer

Dear Neil:

Your recent posting on TriMet's website implies that TriMet has presented a complete and final offer to the Union. We are unaware of any such proposal.

In fact, during the most recent mediation session, TriMet's "what if" proposals were not only the same as they have been in the past, but in some respects represented more take-a-ways than TriMet had previously proposed.

If in fact TriMet now has a complete and final proposal that they want the Union to seriously consider, we ask that you provide it to us as soon as possible.

We look forward to hearing from you at your earliest convenience.

Sincerely,

Jonathan J. Hunt
President- Business Representative
