

TriMet Security Awareness Training Opportunity

Security threat identification, de-escalation, and evacuation procedures are just some of the topics covered in the security awareness 4 hour training course. By the end of the training you will be able to:

- Demonstrate basic situational awareness skills
- Identify and assess potential security threats
- Respond to security threats to protect public, co-workers, yourself and equipment
- Identify strategies for preventing security threats

This training is voluntary and on your own time – TriMet will not be scheduling you to attend this training. A variety of class times and locations are available. Find weekly schedules and a special sign-up sheet at a station location near you.*

Note:

- Overtime - is available to Full-Time Operators and may be available to Mini-Run Operators.
- Overtime – is limited to the 4 hours of class time (even on your RDO).
- The Overtime offer expires on August 31, 2019.
- Pay close attention when you sign up for the class, you are responsible for managing your HOS.

*Sign-up sheet closes at 9am the day prior to training.
