## ATTENTION ATU 757 TRIMET MEMBER

\*\*\*\*\*

We are proud to share with you that the Union was successful in its ULP against TriMet for hiring more than five journey workers annually from outside the District. The ALJ determined that TriMet had violated the WWA and ordered TriMet to cease and desist hiring journey workers from outside of the District to fill apprenticeable disciplines.

We want to thank everyone who has been involved in this fight. Though this has been an uphill battle, your officers have worked tirelessly and put in countless hours of their time to continue fighting for you. We are proud of their efforts and grateful for their dedication!

We also want to thank all of our members who have kept us informed about this ongoing issue. We encourage you to continue reaching out to your officers with information and concerns. You are our eyes and ears!

We fully anticipate that TriMet will appeal this decision, so please keep in mind that this is only one step in an ongoing fight. We will keep you updated if and when that happens.

Fraternally,

Shirley Block  
President-Business Representative
