

Benefit Buzz

Issue 152: October 29, 2019

Open Enrollment Ends on Thursday YES... THIS WEEK!

Although the final Open Enrollment meeting of the year has been held, the insurance representatives have gone home, and their donated raffle prizes handed out...you still have a little time to make your 2020 Plan year elections.

You must take action if...

- * You want to change your plan or coverage level for 2020.
- * You want to contribute to a Flexible Spending Account (FSA) in 2020. Your current election will not carry over.
- * You need to add or remove dependents or beneficiaries.

If you don't take action...

- * Your current benefits will carry over to 2020.

Except

- * Your FSA elections, which will default to \$0 unless you re-elect.

The Benefits Department MUST receive all changes and required documentation no later than 5:00 p.m. Thursday, October 31, 2019.

For quickest enrollment changes log into [Employee Self Service \(ESS\)](#)
Deliver documents either by email to: benefits@trimet.org, or
fax to: 503.962.7440.

LATE FORMS AND / OR DOCUMENTATION WILL NOT BE ACCEPTED

Membership Info

Thank you from your Benefits Team!

Thank you to everybody who came to one of our Open Enrollment meetings.

We were super excited to have a high turnout at nearly every event!
