

April 28,2020

First Student Brothers & Sisters:

We are working hard with First Student to get you the protections, wages, and benefits you deserve during these unforeseeable circumstances. The Union, and particularly your Brothers & Sisters at PPS, strongly believe that you should be treated the same as members out of PPS.

For the time being, you will remain in furlough status, meaning that you should be eligible for unemployment benefits and if you had health insurance benefits through your employer, that coverage will continue.

Please reach out to your Union Representative or the Union Hall if you have questions.

In Solidarity,  
ATU 757 Leadership
